

Tank Designations
 O = oil
 A = asphalt
 E = empty
 D = diesel
 G = gas
 FW = fresh water
 WO = waste oil
 ND = not determined

LEGEND

- T-117 F9 ● Soil Sample with Location ID
- Catch basin
- Underground concrete tank
- ⊕ Existing monitoring well
- Property Areas
- Basin oil
- Former drainage ditch
- Sampling area (A-F)
- Utility corridor
- Topographic Contours
- Western boundary of Port property acquired from Duwamish Waterway District
- T-117 upland property boundary
- ▨ F1 2/18 Excavation Prisms, with Prism ID and Depth/Elevation of Base of Excavation (feet)
- ▭ Approximate Extent of Sloped Excavation Sidewall (2:1 slope)
- ▨ Removed AST
- ▨ Planter area (paved 2004)
- ▨ Sump
- ▨ Removed UST
- ▨ UST closed in place
- ▨ UST heating oil
- ▨ Building
- ▨ Concrete
- ▨ Concrete under asphalt
- ▨ Former building
- ▨ Paved terminal area
- ▨ Truck scale
- ▨ Diesel fuel pump
- ▨ Loading dock
- ▨ Unpaved shoreline area

Note: TPH is driving the excavation in areas B2, B8 and D4.

Vertical Datum: MLLW
